GENERAL ORDER REGARDING RECORD REFERENCES

The volume of capital habeas corpus litigation pending in this Court necessitates adoption

of the following general order pursuant to Fed. R. Civ. P. 83(b):

record (either the state court record or the record as developed in this Court) in motion papers or a

brief, the party shall make a reference to the specific page or pages of the record at which the

referenced material appears. After a paginated appendix to return of writ is filed in the case,

material included in the appendix shall be referenced to the specific appendix page at which it

appears.
